Do you speak English and are you a fluent speaker of another European language? Looking for a career in Business/Customer Support sector in Ireland?

The Online European Job Day **"Your Language - Our Business"** organized from Dublin, is aimed at attracting **Business/Customer Support** talent from across Europe to join this booming sector in Ireland, which requires fluent speakers of **French, German, Dutch, Spanish, Scandinavian languages and more!**

The Business Support sector in Ireland offers great opportunities for career advancement for speakers of languages other than English.

Ireland is particularly strong in the Technology and Global Business Services sectors. This strong base of existing international brand-name companies and exciting new Irish companies, coupled with good quality infrastructure and positive quality of life experience, makes Ireland an attractive location for both companies and jobseekers.

Are you a jobseeker with Business/Customer Support Skills and Language Skills?

- You can search and apply for jobs that match your profile, make contact with employers and book one or more job interviews in advance of the event;
- On 22nd of May you can join us online and virtually attend a program of interesting presentations by employers, EURES Ireland and other exhibitors;
- chat online with employers and ask questions during Q&A session after each presentation.

The event will be widely advertised in Europe through social media platforms and online.

Participation is free of charge for both employers and jobseekers.
